

SEP 05 1990

Becky Allison
Arkansas Department of Pollution
Control and Ecology
8001 National Drive
Little Rock, Arkansas 72219

Dear Ms. Allison:

Enclosed is the transcript from the July 25, 1990, public meeting on the Arkwood hazardous site in Omaha, Arkansas. Please place this transcript in your public reference file.

We appreciate your cooperation. Thank you for serving as a repository. If anyone has a question regarding this document, please call me at 214-655-2240 or 1-800-533-3508.

Sincerely,

Ellen D. Greeney
Unit Leader
Superfund Community Relations
